

# HE IS COME

**Introduction** G... A D...

## Verse 1

D A D A G...  
It is hard to conceive, after all the years of watching, He is come.  
Em A...  
All the doubts and the fears,  
Em A...  
that have robbed me through the years;  
G... A... G... A...  
have all fled away, and my heart is free this day  
G... A D...  
and my tongue must praise the Lord.

## Chorus

D A  
Praise the Lord Oh my soul, sin is gone and I am whole,  
Am G...  
and I'm standing in the presence of the Lord.  
Em A... Em A...  
And the beauty of the Lamb, is far greater than,  
G... A D... G... Em... D...  
I ever dreamed it would be. Hallelujah it is done, for He is come!

## Verse 2

D A D A G...  
Now I look back on my life, I see all the vanity and strife.  
Em A... Em A...  
All the wasted days, that were spent in foolish ways,  
G... A... G... A...  
I never can replace, but the memories He will erase,  
G... A D...  
And forgiven I see the Lord, Face to Face.

## Verse 3

D A D A G...  
Around the Throne I see, a multitude of people just like me.  
Em A... Em A...  
And we're shout'n with one accord, "Salvation is of the Lord"  
G... A... G... A...  
Grace and Grace alone, is the theme around the Throne,  
G... A D...  
No boasting do I hear from anyone.
