

NEVER CAST DOWN

(Psalm 37)

Introduction C...

Verse 1

C Am
I remember the day, when Jesus came my way,
F G
called by His Grace, to see His blessed face...
C Am
My journey began, holding to His hand,
F G
nothing had I to fear, with my Lord so near.

Chorus

F C
Though seven times I should fall,
Am F
I shall never be utterly cast down.
C G
For the righteous are upheld with His hand,
F C
even though we should fall.

(Repeat chorus on last verse)

Verse 2

C Am
Then I came to a place, on this road of grace,
F G
I couldn't find my way, I was going astray...
C Am
But Jesus came to me, gave me eyes to see,
F G
took me by the hand, caused me to stand!

Verse 3

C Am
It has been some time, since I met this friend of mine,
F G
But one thing I can say, about the Pilgrim way...
C Am
I've never seen the righteous, forsaken of the Lord,
F G
nor children of faith, begging worldly store.
