**Introduction** G Em Am D / G Em Am D...

### Verse 1

G Em Am D  
I've come to the end of myself, where do I go from here?  
Em Am  
I've searched the depths, and the heights of sin,  
C D  
never finding joy, never peace within...  
C G...  
So I'll pick up my bucket, and head down to the well,  
Em C  
I'm thirsty, and the water is free,  
G... Em Am G Em Am D / G Em Am D...  
No hope ahead do I see; what future is there for me?

### Verse 2

G Em Am D  
Who is sitting by the well, awaiting this lonely child of hell?  
Em Am  
And do you speak to me, an outcast on the street,  
C D  
Sir, don't you see I'm the dirt beneath your feet?  
C G  
You say you have water that will make my life anew,  
Em C  
surely for me it's not true...  
G Em Am G Em Am D / G Em Am D...  
I've tried every well in the land, and there's no bucket in your hand.

### Verse 3

G Em Am D  
The Man I met there by the well, was not an ordinary man.  
Em Am  
The water he gave me, completely satisfied,  
C D  
the life he gave, has made me new inside...  
C G  
I exchanged my bucket for the cross of serving him,  
Em C  
it's lighter than the burden of sin;
